Our Jubilee Garden Party

Our Olympic Torches

Olympics

Over the next few weeks our main topic will be the Olympics. This will be linked with key learning points from the curriculum. We will also be competing in our own mini Olympic Games.

We would like to say a big thank you to our visitor Sue. Sue took part in the Olympic Torch Relay and kindly visited us with her Olympic torch which the children were able to hold and learn about.

Staff Training

The staff have been taking part in the Revised Early Years Foundation Stage training– This is ready for the September 2012 changes. The EYFS sets the standards that all Early Years providers must meet, this is to ensure that children learn and develop well and are kept healthy and safe.

Kerry now is the Nursery SENCo and has been attending courses for this role.

All staff attend training regularly to keep their knowledge up-to-date.

Funding for 2 Year Olds

Free nursery hours are now available (up to 10 hours per week) for 2 year olds subject to funding from CCC. This is done on a case by case basis depending on each family situation. Please ask a member of staff for further information.
