

# ALPHABET DAY NURSERY

Welcome to our  
October News 2012

## Autumn Days

Now that the leaves are falling from the trees and the frosty mornings setting in please can you ensure you are sending your children into Nursery with appropriate clothing. As we like to get outside in all conditions warm coats, wellingtons, hats, scarves and gloves are essential. It is also helpful to have a spare pair of trousers popped into Children's bags if possible please. Labelling clothing also ensure similar items are not mixed up.

## Christmas Closing Times

We will be closing this year for Christmas on 21<sup>st</sup> December 2012 and re-opening Wednesday 2<sup>nd</sup> January 2013.

## Harvest Time

We had a special visit from a local farmer who came to see us at Nursery in his Tractor. We were all very excited to be able to climb inside the Tractor and steer with the huge wheel. We also learnt lots about what food grows in fields and have been very busy making vegetable collages and singing Harvest songs.

## Our Food

We are continually trying to add new and exciting healthy meals to our menus and now the winter season is approaching we will be serving plenty of hot winter lunches with lots of vegetables to help keep the colds at bay. As well as ensuring the children have a healthy diverse diet, we also want to ensure they enjoy meal times. If you have any home-cooked favourites we could add to our menus please just post your recipes into our suggestions box situated at both entrances'.

## It's Photo Time!!

The Studio will be coming into Nursery on Wednesday 24<sup>th</sup> and Thursday 25<sup>th</sup> October from 9-11am. If your child attends nursery during these times then they will automatically have their photo taken. If these are not your child's normal nursery sessions please feel free to bring them along to one of the sittings. Brothers and Sisters are welcome to come along and join in.

Photographs are on a no obligation basis. Please tell us if you do not wish for your Child's photograph to be taken.

## Please return our spares

Please could you check to see if you have any of our spare nursery underwear and trousers at home and if so return them ASAP. If anybody would like to donate children's clothing that no longer fits we are always grateful to receive spares. Thank you.
